# COMPANY OVERVIEW

- ▣ *E4Event is an International Event Planning & Management Company specialized in Exhibitions, Seminars, Conferences, Corporate, Cultural & Social Events.*
- ▣ *E4Event is a dedicated, focused and efficient event management company with exclusive knowledge and experience of the corporate world both internationally and at home. We offer all inclusive personally tailored event management solutions catered to each individual client, we are defined by our highly personal approach producing high end corporate events from private parties to award ceremonies, fundraisers and exhibitions.*

*We help connect brands with consumers in innovative and memorable ways and our purpose is to help brands grow by arranging impactful events that build value over time. Our client trust us to deliver creative, interactive experiences for their customers and we are committed to deliver the best in the industry.*

*We've the perfect blend of talented specialist team. Our expertise covers the full spectrum of event management. Our ability to deliver powerful local insight, market leading creativity and results-driven work make us the right choice for your event management solution partner.*

*We operate from offices in Bangladesh and UK, and help brands grow at home and across the world.*

# COMMITMENT

*E4Event works with leading industry brands to deliver seamlessly executed and highly compelling live events. Our events range includes high profile conferences, major conventions, sports sponsorship activations, C-level VIP meetings, high-end receptions and gala dinners.*

*We provide our clients with a customized service offering based on specific project delivery needs. Each project benefits from a single point of contact selected from our experienced account management team. By working across our international offices we can efficiently plan events for all locations and deliver multiple, consistent executions.*

*Our team is committed to delivering excellence and being fully accountable for the service they provide.*
